TERMINAL DISCLAIMER

By Owner

Re Double-Patenting Rejection

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

The owner, Fidelica Microsystems, Inc. of 100% interest in the instant application, by virtue of an Assignment recorded May 15, 2000 at Reel 010797 / Frame 0145, hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the expiration date of the fully statutory term defined in 35 USC 154 and 173, as presently shortened by any terminal disclaimer, of prior patent **6,694,822 Issued February 24, 2004**. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 USC 154 and 173 of the prior patent, as presently shortened by any terminal disclaimer, in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

The undersigned is attorney of record.

PAT-136 503

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Sir:

In response to the Office Action mailed August 24, 2004, Applicant fax-filed a proper Terminal Disclaimer on October 14, 2004. The Examiner indicated in a telephone call on November 30, 2004 that such was not received. Accompanying this Resubmission is the same Terminal Disclaimer originally filed October 14, 2004, together with a copy of counsel's internal docket record for this application showing that the response to the August 24, 2004 Office Action was satisfied on October 14, 2004 and the successful fax confirmation of October 14, 2004.

Respectfully submitted
